

# Royal Oak Farm Orchard Fruit Tree Integrated Pest Management

The first in our series of Royal Oak Farm Orchard Hands-On Fruit Tree Workshops being offered this year will be the **Fruit Tree Integrated Pest Management Workshop** held on:

**Saturday, May 6, 2017** – 10:00 am to Noon at the **Royal Oak Farm Orchard Restaurant and Orchards** at 15908 Hebron Rd. near Harvard, IL.

**Registration will be taken on a first come, first serve basis. Act fast if interested. Space is limited. Registration could close early if class is filled. Gardening and Fruit Explorer Groups welcome!**

The workshop will include an indoor presentation on Integrated Pest Management concepts followed by an outdoor, hands-on training demonstration where participants will be given the opportunity to practice what they have learned. The workshop will be conducted by Dennis Norton, an IPM Specialist, Pomologist, and Certified Nurseryman at Royal Oak Farm Orchard.

Training tools will be provided for the registrants. Participants should dress for the weather including comfortable shoes or boots. Workshop will be held regardless of weather. In case of extreme weather, call 815-648-4467 on the day of the workshop, one hour before the scheduled time, to confirm that the workshop will be held. Questions about workshop should be directed to Dennis Norton at 815-648-4467 or 815-228-2174 or [dmnorton@royaloakfarmorchard.com](mailto:dmnorton@royaloakfarmorchard.com). Confirmations to this workshop will be done by e-mail or phone call. We prefer e-mail. If you do not have e-mail, you must have voice mail with your phone number so we can leave a message.

A map to the location can be found and downloaded at the "Directions" link at the Royal Oak Farm Orchard website at: <http://www.royaloakfarmorchard.com/Location.htm>

**Cost of the workshop: \$35.00 per person. No telephone registrations can be accepted.**
